## Mission And Goals

**The Espee Global School** aims to encourage students to be inquisitive, resulting in knowledgeable individuals through hands-on coaching. The Child is treated as a learner and is transformed into a natural problem solver.

The school empowers them to develop values and become active, compassionate and lifelong learners, helping them create a better and more peaceful world through intercultural understanding and respect. We strive to design their future by placing them on the global center stage, inspiring them to **Evolve to Excel** and **Be the Change!**

Espee Global has a mission to establish an international school in Roorkee. It is no longer sufficient to make students get high marks in the final Board examinations. Students will have to demonstrate their curiosity, creativity and critical thinking as well.

Students in future years will be facing much stiffer competition for the best jobs and so will need to develop skills and character based on universal values, a sound body and discover themselves and their potential as they work their way through school. By giving them a wide variety of extracurricular activities – both intellectual and physical – and exposing to them to the realities of India, it is hoped that they will be fully aware when they leave school of their environment and be ready to become responsible citizens.

# Frequently Asked Questions

- Why have you reduced your school fees?  
We have not reduced our school fees. In addition to successful Day Boarding, we have introduced Day School, with shorter timings, on request of many parents aspiring to join Espee Global.
- Is there any discount available for siblings?  
Yes, the 'refundable security deposit' for one sibling is waived.
- What is the difference between the CBSE in Espee Global and other schools?  
CBSE in Espee Global is a fusion of academic, physical, mental and skill development activities for better understanding of the concepts.
- How do I pay the school fees? Can the fees be paid monthly?  
Yes, you can pay the school fees monthly. Payment through the bank is also available.
- Are there any admission charges, donation or development charges?  
No, there are no admission charges, no development charges and no donations.
- As there are many additional activities in a Day Boarding school, can I change from a Day School to Day Boarding in mid-session?  
Yes, you can change from a Day School to Day Boarding in mid-session. However, you cannot change from Day Boarding to a Day School in mid session due to financial commitments with catering, transport and faculty.
- Is your syllabus in primary classes (from Nursery to class 5), at par with the syllabus of other schools in Roorkee?  
Yes. In fact we cover more through our activities and inquiry-based learning.
- You follow IB methodology, which is activity-based learning. Will my child face any transition problem when he changes to the CBSE board?  
No, there would be no transitional problem in changing from IB to CBSE. Due to IB learning, the child would be able to grasp the concepts in a much better manner.
- In IB there is less writing work. How will my child develop the writing habits essential for CBSE?  
There is sufficient written work done in Espee Global for the child to develop suitable writing habits.
- How more does Day Boarding help my child?  
There are many additional activities in a Day Boarding schedule. Please speak with the Primary Head and the Middle School Head to understand more details.
- With so many activities at The Espee Global School, all the year round, are you able to complete the syllabus?  
Yes, these activities are a part of the lesson planning which enhances the learning process.
- How much Home Work do you give the children?  
Daily homework is given to the children as per the homework roster to inculcate self-study and home study habits.
